## FOR MEALS ON WHEELS THE ALL-DAY MEAL SERVICE

When Meals on Wheels services deliver a warm meal in the DINNER-MAX MONDO system to the customer; they may now efficiently deliver the DINNER-MAX TEATIME box at the same time. TEATIME is placed in the fridge until needed and in this way the customer enjoys an all-day catering. TEATIME transports breakfast, cold cuts and cheese for a light evening meal, snacks, cake and beverages. Bread and buns are delivered separately in order to stay crisp.

### Full-meal service in one box:

- coffee and cake
- cold cuts for light meals
- breakfast
- snacks
- instant beverages
